A NORTHBRIDGE COMMON CAMERA PROJECT

Welcome to the Northbridge Common Take 5 and Wind It On camera project! Please follow these instructions. Please note your photo may be exhibited on the streets of Northbridge, Perth, and Highgate and our website and social media accounts. Please get on our website for more information. Also be sure to follow the project details on our [Instagram](#) @northbridgecommon Website: <https://northbridgecommon.org.au/index.php/take-5/>

STEP 1 - Register/agree to consent guidelines, fill in the form on the website or email: info@northbridgecommon.org.au

- When taking the photo of someone, say to them: "This photo may be used in the Take 5 Photo project, and may appear in an exhibition, in public spaces in the northbridge neighbourhood".
- No means no, but yes means you can take your time and capture a nice photo!

STEP 2 - Take some photos!

- Take up to 5 photos of something that inspires you about our neighbourhood
- Pick a theme - shops/people/pets/food/flowers/signs
- Keep it local - somewhere in Northbridge, Highgate, and Perth suburbs.

TIPS for best results:

- 1) Shoot in daylight (these camera's don't perform well in low light)
- 2) Always Turn Flash ON
- 3) Make sure your subject is 1-1.5m away
- 4) Make sure your finger isn't over the lens

STEP 3 - Pass it on!

Pass the camera on to a friend or someone random

Once all the photos are done please return to: Parkside Cafe - Stuart St Reserve, Perth 6000

OR

Email: info@northbridgecommon.org.au, and we will arrange a pick-up!

Please include the the following if using email:

Name, Camera number, Sequence of frames on the roll you used (ie: 11-16) and: 'I have gained consent from people/private property owners that I have photographed'.
